#unexpected STARTS NEXT SUNDAY!

Kick-Off on Memorial Day

We will be meeting in 4 different neighborhoods and setting up shop—handing out small gift bags to kids and giving away free sno-cones. Pick a time a time and location on Memorial Day that works for you!

Redbox Blessing

Go to the nearest Red box. Rent a movie, take it home and watch it, sounds normal so far, but here is the catch. When you return the movie stuff a few dollars in the case with the DVD and a little note that says popcorn is on us. The next person who rents the movie will be blessed.

Coffee is always the answer!

Such a simple way to say Thank You! Take coffee to the staff at the Crawford County Health Unit, DMV, or any other office that needs a pick-me-up and needs to know they are appreciated for the job they do!

Lawn Care

We have 3 neighborhood yards that need some TLC. Sign up as an individual, lifegroup, or family to help care for one of them. Or if you have a neighbor who could use a hand with their lawn care, take some time while you are doing your own lawn to help them out!

Fast Food Frenzy

Don't pay it forward. Pay it behind you. If you know you will find yourself in a drive-thru this week, be a blessing and pay for the person behind you!

The Learning Center

The Learning Center is located in Van Buren. It is a school in desperate need of activities for the students to engage in. A simple answer to this is to donate as many basketballs, soccer balls, footballs, freebies, and any other simple sports item to give these students a break.

An uncommon church that loves unexpectedly,
grows intentionally, and reflects Christ.
